The Resident Spotlight

Congratulations to Ms. Rosa for being our resident of the month!

Ms. Rosa loves spending her time doing word search puzzles and enjoying a little pampering with her nails. She has truly earned this title through her kind heart and warm smile, brightening the day of everyone she meets.

To help us keep all residents safe and accounted for, we kindly ask for your cooperation when taking a resident out of the building.

When Leaving:

Please stop at the front desk or kiosk located in the lobby and sign the resident out on the kiosk.

When returning to the facility:

Upon return, please sign the resident back in on the kiosk and notify the nurse that the resident has returned.

This process allows our care team to:

- Know who is in the building at all times
- Respond quickly and accurately in the event of an emergency
- Ensure continuity of care for our residents

We truly appreciate your help in making this a smooth and quick step during your visit. If you need assistance using the kiosk, our team is always happy to help. Thank you for partnering with us to keep our residents safe and well cared for.
