This month at Encore, we celebrated the arrival of the spring equinox with a fun and engaging craft activity. Participants had the chance to express their creativity through colorful designs, bringing spring to life in their own unique ways. From delicate butterflies to vibrant blooming flowers, each creation beautifully captured the fresh, joyful spirit of the season.

The room was filled with laughter, bright colors, and a wonderful sense of community as everyone shared ideas and admired one another's work. It was truly a joy to watch creativity blossom and to see so many smiling faces welcoming the new season together.

Celebrating Administrator, Cory Gatte

We had the pleasure of celebrating our very own administrator, Mr. Cory—a leader who truly deserves the recognition! Not only did we honor an incredible administrator, but we also gave a nod to his legendary beard, which has become a signature part of the office charm. After all, they say the best bosses have beards—and we couldn’t agree more!

Everyone had a great time joining in the fun by dressing like Mr. Cory and striking their best “Cory pose” for photos. It was a day filled with laughter, appreciation, and team spirit. Thank you, Mr. Cory, for your leadership, dedication, and all that you do each and every day!

Resident of the Month

Although Ms. Marie has only been with us for a short time, she has already made a meaningful impact on both our residents and staff. Her warm personality and positive outlook bring a special light to our community, making each day a little brighter for everyone. Thank you, Ms. Marie, for sharing your kindness, joy, and uplifting spirit with us each and every day! Congratulations on being named Resident of the month!

To help us keep all residents safe and accounted for, we kindly ask for your cooperation when taking a resident out of the building.

When Leaving:

Please stop at the front desk or kiosk located in the lobby and sign the resident out on the kiosk.

When returning to the facility:

Upon return, please sign the resident back in on the kiosk and notify the nurse that the resident has returned.

This process allows our care team to:

- Know who is in the building at all times
- Respond quickly and accurately in the event of an emergency
- Ensure continuity of care for our residents

We truly appreciate your help in making this a smooth and quick step during your visit. If you need assistance using the kiosk, our team is always happy to help. Thank you for partnering with us to keep our residents safe and well cared for.
