Giving Thanks in Style!

This past month, The Vermilion's residents, staff, and families gathered together for a truly beautiful Thanksgiving Luncheon. Our dining room was filled with the warmth of conversation, the aroma of a delicious holiday meal, and the joyful hum of friends reconnecting. It was a heartfelt celebration overflowing with love, laughter, and genuine togetherness. The afternoon was a wonderful reminder of what makes our community so special. We are deeply grateful for each and every resident, friend, and family member who joined us to celebrate and give thanks. Your presence made the day even more meaningful, and we look forward to creating many more cherished memories!

Celebrating our Tech Guru!

Congratulations to Elder Outreach's one and only, Michael Bordelon, on being named IT Leader of the Year (Private Sector) at the 2025 Louisiana IT Symposium in New Orleans!

As one of only two IT team members supporting 600+ employees, Michael helps keep our senior living communities running smoothly and securely overseeing everything from network administration and cybersecurity to EHR support and major tech projects.

His calm leadership, technical expertise, and genuine care for team members make him an invaluable part of Elder Outreach's mission to provide compassionate, high-quality care for Louisiana's seniors. We're so proud to see his dedication recognized statewide!

Adopt an Angel!

Get ready to spread some holiday cheer! Until December 10th, The Vermilion is offering an exciting opportunity to brighten a resident's season. Swing by the front desk and pick up one of our festive "angels"—each one has a resident's small wish list with three gift ideas to choose from!

Choose a gift, have fun shopping, wrap it with love, and bring it back to The Vermilion. It's an easy and joyful way to make someone's day a little more magical. Let's make this holiday season unforgettable—one angel at a time!
